MAX TECHNICAL ELECTRICAL TRADING LLC

DUBAI - UAE

1 SOURCE
FOR ALL YOUR ELECTRICAL REQUIREMENTS

**DEDICATED TO MARINE OIL AND GAS INDUSTRY
ENGG. INDUSTRY, PROCESS PLANTS, MFG. COs. &
INFRASTRUCTURE BUILDERS**

www.maxtechdxb.com

CABLES - VAST RANGE AND TYPES

Marine Cables - Fire Retardant & Fire Resistant - IEC 60332 & 60331

Oil Rigs Cables - IEEE 45 Type P

Armoured Cables - SWA - BS5467

Rubber Insulated Cables - HO7RNF

Control & Instrument Cables - Halogen free - Screened - IEC Specs

Flexible Cables - BS6500 & Panel Wires - BS6231

INSTALLATION ITEMS

Cable Trays - PVC - GI - SS - GRP

Cable Conduit & Accs. - Rigid & Flexible - PVC - GI - SS

Cable Glands - PVC - Brass - SS - Metric - NPT

Adapters - Reducers - Thread Convertors

Cable Ties & Markers - PVC - SS - HS

Insulation Tapes - PVC - Rubber - Fiber Glass

Cable Terminals - Insulated - Uninsulated - HS Tubing

Cable Cutting & Crimping Tool - Manual - Hydraulic

LIGHT FITTINGS - SAFE & HAZARDOUS AREA

Conventional Lights - LED Lights - Lights With Emergency Back Up

Flourescent Fittings - Recessed - Surface

Flood Lights - Highbay Lights - Pole lights

Accomodation Lights - Deck Lights - Engine Room Lights - Down Lights

Direction Lights - Exit Lights

Hand Lamps - Rubber & Polycarbonate

Body Material - Metal - SS - GRP - Appropriate IP Rating

Marine Approved & <Ex> Rated for Oil & Gas Industry

GLAMOX   aqua signal   BARTEC FEAM   FRATER

thornlux   ERSO indulux   GEBR. SCHNEIDER

NAVIGATION & SEARCHLIGHT

Navigation Lights - Conventional - LED - Explo. Proof

Both For Small & Large Vessels - Marine Approved

Search Lights - 250 To 3000W - 150 To 500 MM Dia.

Manual & Remote Control - Marine Approved

Lights For Suez Canal

GLAMOX   aqua signal   PERKO

JUNCTION BOXES - ENCLOSURES & CABINETS

Vast Range & Types - Suitable for all Applications & Locations

Harsh Conditions - Industry - Ships - Oil Rigs - Hazardous (Ex) Area

Material - PVC - Polystyrene -Mild Steel - GRP - Stainless Steel

Modular Construction - Door - Screw Cover Type - Hinged Cover Type

Dimensions - Specify H X W X D

Fully Integrated - Complete with Glands - Terminals - Markers - Earth Studs - Labels

Certification & Approval - IEC - NEMA - LR - DNV - IECEX - ATEX

nVent HOFFMAN   spelsberg   ROSE

HAWKE International   Weidmüller

WIRING ACCESSORIES

Quality Wiring Accessories for Safety, Aesthetic looks, Heavy Duty use & Long Life

For Industry - Ships - Oil Rigs - Offshore Platforms

Material - PVC - Metallic

BS Specs. (UK) - 220V Rating - Switches - Sockets - Plugs

Receptacles - Connectors

NEMA Specs. (USA) - 110V Rating - Straight Blade Devices

Switches - Sockets - Plugs - Receptacles - Disconnectors

Twist Lock Devices - Back Boxes

MK   VOLEX ACCESSORIES   HUBBELL

INDUSTRIAL PLUGS & SOCKETS

Types - Surface - Mobile - Panel Mounting

Voltage - 110V (Yellow), 220V (Blue), 380 to 415V (Red)

Amperage - 16A, 32A, 63A & 125A

Pole Rating - 3P, 4P & 5P - IP Rating - IP 44 - IP 67

Switched & Interlocked Type - Container Sockets

American Plugs & Sockets - 15A, 20A, 30A, 60A, 80A, 100A

Multi Sockets - Extn. Sockets - Extn. Reels - Dist. Boards

Brass Plugs & Sockets For Ship Use

Marine Approved & Rated for Oil & Gas Industry

SAFETY & WARNING DEVICES

Sounders - Enclosure Material - ABS - GRP - Aluminium - SS

Power - 12 to 230V - Sound - 100 to 141 dB

MULTITONE & SYNCHRONISATION

Beacons / Strobe Light - Encl. Material - ABS - GRP - SS

Power - 12 to 230V - Lamp Type - Xenon - LED - Light Intensity 5 to 21 Joule

Combined Units - Specs. - to Select from the above

Call Points - Type - Manual - Break Glass - Push Button

Rotating Beacons - Tower Beacons - High Impact - 12 to 230V - All Colors

Marine Approved & Rated for Oil & Gas Industry

CONTROL & AUTOMATION

⭐ **Complete Range - Industry Control and Automation and Information**

5000 Components viz. Push Buttons, Indicator Lamps, Contactors, Relays, Starters

Proximity & Limit Switches, Photoelectric Sensors, Pressure & Temperature Controllers

⭐ **Drives (Low & Medium Volt AC & DC), HMI, I/Os, Power Supplies and Safety Products**

⭐ **Factry Talk, Integrated Architecture Builder, Ecadworks, Centre One, MCS Star**

Motion Analyzer, Rail Builder are programmes, devised for Engineers

to select right product and configure with confidence

⭐ **Enclosures & Cabinets - Complete Rang - Customized - Material - Mild Steel & SS**

PREMISE WIRING / STRUCTURED CABLING

Copper & Fiber Cables - End To End Solutions - Third Party Verified TIA Compliant

Mission Critical 25 Year Performance Warranty - 100 % Facotry Tested & Terminated

ROHS Compliant - For Building and Data Center

Copper - Shielded & Non Shielded - Cat 5E, 6, 6A & 7

Complete Range and Connecting Hardware

Fiber - From 2 Cores to 244 Cores - Indoor & Outdoor Applications

High Band width - Multi Mode and Single Mode Cables and Components

EXPLO. PROOF CABLE PASSING SYSTEM

Modular, Fireproof & Pressure Tight Cable Sealing System

Approved by all Classification Societies

System Comprises of 2 Parts - Steel Frame and Lycron Insert Blocks

Standard Block - Add Block - U Block - Solid Block

Multi Dia Module - Cable and Pipes - 3 to 99 mm OD

MCT BRATTBERG   Roxtec

MEASURING & TESTING EQPT.

Meters - Panelmounting - Handheld - Portable

Ammeter - Volt Meter - Multi Metter - Clamp Meter

Frequency Meter - Temperature Meter

Oscilloscope

HIOKI   FLUKE   Megger

QUALITY ASSURANCE

Every Product is Manufactured in Accordance with IEC Specifications.

Every Ex Rated Product is Certified by IECEX & or ATEX.

**Every Product is Approved by One or More Class Approval Agencies.**

Every Product is Warranteed for its assured Service Life.

Every Product is Assured for its Tracebility & Relevant Documentation.

Our approach is flexible but Our Commitment to Safety and TQCS

(Total Quality For Customer Satisfaction) is inflexible.

IEC   IECEx   ATEX
